BOAT AND MARINA
Cabin Floors / Boardwalks /
Docks / Kayaks /
Sailboats / Boat Decks

EASY TO USE: can be applied with different tools such as a Underbody coating gun, HVLP gun or even a brush or roller.

PROTECTION: will form a very strong and durable surface that is damage, scratch and stain resistant. This surface will also protect against corrosion and high temperatures.

SIMPLY THE BEST: will form a waterproof layer that is also resistant against propellants, oils, mild acids, salt water and more.
